## Resurrection Power

***“that I may know Christ and the power of His resurrection, and the fellowship of His sufferings, being conformed to His death” ( Philippians 3:10 )***

Hello my name is Cade Carrier. I graduated from Shiloh Men's Ministries on November 25, 2009. A year of my life that was so inspired, guided, and directed by The Lord Jesus Christ. My life has been completely changed forever in so many ways! I now continue to obey and keep that intimate relationship with The Holy Spirit daily. My heart desires to experience the love of Jesus everyday and absorb His presence in studying, intercession and most of all testifying and witnessing to everyone I come in contact with, about the goodness and greatness of our Lord Jesus Christ. God's agape love has been shown so powerful in my life and also in my family that it is just unexplainable at times. Through the grace and mercies and the powerful blood of Jesus Christ at Calvary, I have been sanctified and set apart and now abide under the shadow of the most High God to share what miracles God has performed in my life. I currently live in Baytown, Texas, and attend Maranatha Church in Mont Belvieu, TX. I am married to my beautiful wife Heather. I also have a beautiful daughter, Kameron who is 11 years old. My wife and I were separated and at the end of our marriage getting ready to divorce when God stepped in and began a restoration process in our marriage. The overflowing of love, peace, joy and the amazing comfort and strength is now shared between us in our marriage. Heather and I desire God daily and both of us have such a hunger of love for Him. My daughter Kameron is baptized in The Holy Spirit and has a powerful desire to be involved in the things of God. The works of God have been manifested in our family. We now confess Joshua 24:15. "As for me and my family we will serve The Lord." Six months after I was at Shiloh God spoke to me and told me in that still quiet voice inside of me, that I was to return to Texas upon completion of Shiloh. That is all He told me, so I patiently waited for Him to further instruct me on what to do. During our year at Shiloh, we get the privileged blessing to go on a foreign mission trip. I attended the Mexico Medical Missions trip with Brother David Slack and the missionary team. It was amazing that I not only got to go one time, I was asked to go a second time as well. I was ecstatic with joy because of the great experience I had the first time through meeting the people of Mexico, the Mission team, and sharing the glorious name of our savior Jesus Christ. I then had a strong feeling in my spirit that God was working His plan and purpose for me. I can surely say that He supernaturally placed me in Mexico that second time. During the Missions outreach I was assigned to the vitals table. I checked blood pressures, blood sugars, pulse, and weights. I was overwhelmed with delight to be able to take part of doing this as I have had a desire for years to be involved in the medical field and become a Nurse. Now I was getting to do just that, and I was doing this unto The Lord, and sharing His love with people in need. The miracles of God really began to manifest in my life, and the increase of God's awesome power began to unfold. During my time in Mexico I met Dr. Paul Torre. He is a resident of Baytown, Texas who was devoting his time to God, and God's people in Mexico by attending to their medical needs. About four days on the trip Dr. Torre and I were fellowshiping; I realized at that time why I was to return to Texas and why I was supernaturally placed on this Mission's trip. Dr. Torre stated to me that he was opening a medical clinic in Houston, Texas after the first of the year. Dr. Torre then asked me if I would be interested in going to work for him as a medical assistant. Psalms 37:4 says "Delight yourself in The Lord, and He will give you the desires of your heart." The Word of God has manifested in my life, God knew my heart had desired the medical field. God has opened the door to my dreams and visions. Dr. Torre hired me on the spot in Mexico that very day to go on board with the medical staff at his clinic. The next day I was approached by Dr. Torre and he stated to me that if I wanted to pursue my nursing career that he would be honored to pay for my college to become a licensed nurse. The awesome revelation came to me that before creation, God knew Dr. Torre and I would meet up in Mexico, and His love would prove faithful to me. This was an amazing Divine appointment that God had already created. It overwhelms me daily! I graduated Shiloh two weeks later and went home to Louisiana for a short season. God really used me in powerful ways to reach out to different people. I continued to stay in contact with Dr. Torre. Today I now work for this Doctor as a medical assistant at Entrust Immediate Care in Houston, Texas. I will begin College soon to further my Nursing degree as a LPN, RN, and then going for my Nurse Practitioners License. God has placed a vision inside of me, and He is making all provisions to enable me to fulfill that vision. Today I give God all Glory for a powerful testimony I have of restoration of me and my family. God fashioned Divine appointments just for me in order to fulfill my desires, dreams, and destiny. I also praise God everyday for the awesome staff at Shiloh Ministries who laid their lives down for me. I am thankful for Pastor Rocky, Sister Debbie, Brother Jason Zikovitch, and Brother David Walls. God used Shiloh to begin this work in my life and it has overflowed to my family. I continue to often visit Shiloh and join in on the powerful Intercession that staff and students have in the mornings. I also want to thank every one of you for blessings and prayers for Shiloh. God is bringing forth miracles in each one of our lives daily. Galatians 2:20 says "I have been crucified with Christ; It is no longer I who live but Christ who lives in me; and this life I now live in this body I live by faith in the Son Of God, who loved me and gave Himself for me."

With love,  
Cade Carrier

***“And Jabez called on the God of Israel saying, “Oh, that You would bless me indeed, and enlarge my territory, that Your hand would be with me, and that You would keep me from evil, that I may not cause pain!” So God granted him what he requested.” 1 Chronicles 4:10***

## **More Land To House More Men**

***Everyday we receive e-mails & phone calls from men & families requesting help in getting set free from addictions. Our heart response is heavy in telling them we have no room. We as Staff have been praying for God to give us more land so we can disciple more men. We currently have 17 individuals on one acre of land which has a Chapel, a Dorm attached to it, another building that includes in it, kitchen, dining hall, classroom & offices. Then on the back side of the buildings is our parsonage were Deb & I live. We also have storage buildings with a weight room attached. I described our acreage to you so you can have a mental picture that we are compact & needing expansion. We have known for some-time we would eventually need more land to house more men. Our heart has always been on discipleship. There must be an atmosphere of God’s presence to break the yoke of bondage off of these men. When men get set free & begin living a victorious life, they testify of the wonderful things God has done for them. Shiloh is now experiencing the fruit from 10 years of co-labor with God. Now we are at a place were we have the opportunity to purchase land adjacent to our existing property. It is 4 acres with a business building on it. The man that is selling the property is asking \$100,000 for it. We know this man & he is honorable. We have believed for this land & have participated in prayer walks over it for years. We know it is God giving it to us. Our Heavenly Father has spoken to us. He has said, “believe & trust Me that I will speak to people & they will give”. Therefore we have opened a separate Bank account to receive the money that will come in before January 2011. This is our time frame of receiving the full amount of the \$100,000 that is being asked. We ask that everyone consider sowing a generous financial gift into this much needed addition. This property is for the soul harvest of others who are still in bondage yet to be brought into their “glorious inheritance”. Thank you, for your generosity in giving & co-laboring with us in the Lord’s Ministry at Shiloh.***

81 year old Mary E. Hinson is no stranger to servant hood. She is willing and obedient to do what so ever God asks of her. 12 years ago she asked God this question.... “What now Lord?” He answered her with this.... **“YOU CAN QUILT MARY.”** So she began to quilt and had many quilts prepared for wherever God told her to take them. Shiloh Ministries in Liberty Texas was not even opened at the time she began to fashion these quilts. Yet at the appointed time, God instructed her and she made sure they were given over to Shiloh. Mary has been a servant and a friend to Shiloh ever since. She has made 38 Quilts to date, 40 laundry bags, not to mention numerous buttons she has sewn on slacks and shirts. She has taken in and let out. She has hemmed and repaired many articles of clothing for the students and staff of Shiloh. Most people 81 years of age have retired for sure, but Mary gives praise to God that she is blessed to be a blessing. Her heart has always been in teaching. Yet she is quoted saying.... “Shiloh did not need another Teacher; they needed one who would volunteer their skills to sew. I was lead by God to meet the need.” So regularly, Mary Hinson drives herself to Shiloh, which is a 55 mile drive one way from her home. She arrives with her tools of sewing machine and plenty of thread and buttons and comes ready to repair what is laid out before her. Mary Hinson we love you and are thankful for you! **YOU ARE TEACHING US WIHOUT WORDS.**
