## Altering The Atmosphere

***"I will praise You, O Lord, among the peoples; I will sing to You among the nations. For Your mercy reaches unto the heavens, And Your truth unto the clouds," Psalms 57:9-10.***

*Just a few weeks ago, Rocky and I experienced a medical event that really took us by surprise. The symptoms and the diagnostic tests were not identifying the problem, and as the days continued with no apparent cause to the why of this off and on again, "burning type sensation," it finally reached a peak as it progressed and emerged into an emergency situation. We had not planned for this interruption and it was something that we had no control over whatsoever. However nothing is hidden from Our Master, The Lord knows, and HE HAS KNOWN, this surely taking HIM not by surprise, HE IS IN CONTROL (Duet. 33:27 & Ps. 139:1-4).*

*A ruptured appendix, ruptured intestines, surgery and six days in the Hospital away from the "Cloud, The Shekinah Glory" of God's Presence at Shiloh will open your eyes up to a reality of the many imposing antichrist spirits that operate in the different environments of society. At Shiloh though, we have the privilege to create an atmosphere for men to encounter His Presence (Ps. 16:11).*

*The duration of my hospitalization, I saw many faces entering my room, as 95% of those faces were Medical Professionals, providing to me medical services. These people live and work here, but are from numerous different nationalities. I was amazed watching THE WORLD enter into my room. I have prayed for The Nations, I have prayed for people groups, and now camped out in a hospital room in which I did not register for, I see the Nations before me. God's Precious Creation, Red, and Yellow, Black and White, they are all precious in HIS SIGHT (Ps. 46:10).*

*I would like to say that my entire event after surgery was quite majestic and lovely and that I was strong and doing exploits continually but that is not how it went. I will not attempt to explain away what I discerned by the Holy Spirit but will say, He revealed to me the demonic realm. I sensed many spirits lurking up and down the corridors of that Medical Establishment. I sensed fear, confusion, sickness, and disease, all types of infirmity, pride, arrogance, and death.*

*It was a battle not only in the physical realm, but that in the Spiritual realm even the more. I realize to a greater degree now how dependent we must be on this Truth, "Jesus Christ is Lord!" (Col. 2:15-16). He has given His people the supernatural ability to bring the Kingdom of God into any atmosphere to alter it so people can encounter Him (1Cor. 4:20). The Lord God has given to us His authority (Lk. 10:19) in order to bring Heavens way of doing things to earth (Matt. 6:10). The Helper, The Sweet Holy Spirit gives us revelation to identify that which is a thief to our peace, and also that which is keeping multitudes in a state of bondage in which they are completely oblivious to (Gal. 5:25 & Jn. 14:26-27).*

*Inside the hospital where I was treated is a Traditional Christian Chapel, as in most Hospitals in this Nation. This Chapel is a place provided for those who want some quiet solitude and a designated Altar, a meeting place if you will, with The Lord God Almighty, Jehovah God, The One and only TRUE GOD. However, I learned that there is also a Mosque inside this Hospital for the many practicing Muslims calling out to Allah (a demonic deity), there is something so wrong about this. It is becoming more evident that we are living in an increasingly hostile world. It takes no master in Theology to realize the depravity of the antichrist movement that has invaded our culture (Phil. 2:9-10 & Col. 2:9-10).*

*In the midst of this personal battle, (I do have the scars I might add) some great things did occur. I got to take the hands of several of my medical providers, (I never asked permission) sensing the urgency and being led by The Holy Spirit, I prayed aloud while holding their hands. I asked MY GOD to show them HIS LOVING KINDNESS, how wonderful, glorious, fabulous, loving, merciful HE is. There were several episodes where I had a decision to make on the spot and so TRUE to HIS ATTRIBUTES, My Helper, The Sweet Holy Spirit led me to always walk in the opposite spirit of opposing spirits. When arrogance would come in my door, I knew to humble myself, when fear and confusion would try to grip my heart and hold me in captivity, I blessed those individuals with words to My Father IN JESUS NAME on their behalf. **"My sheep hear My voice, and I know them, and they follow Me," John 10 :27.***

*This is a season of our lives that we never signed up for but the lessons that we are learning are continuing to fortify us in every area of our lives and it has stirred us to testify even more so that "THE LORD GOD IS GOOD, And HIS MERCY ENDURETH FOREVER," Psalms 100:5.*

*Yes, there is a battle, BUT GOD, HE surely has told us in HIS WORD, **"In this world you will have trouble, but be of good cheer, for I have overcome the world," John 16:33.** When trouble comes, We must be resolved that we have within us the Supernatural Ability to rise above even the most horrific situations of life and also gain some spoils of war for HIS GLORY. We must be careful not having merely a survivors mentality, but truly an overcomer who tenaciously desires to take ground back for OUR LORD (Ps. 62:8).*

*In concluding what was learned from this experience, God is Good, He is Love and He is Faithful. I am very grateful for His Mercy and for His Grace. Also in times of trouble and hardships we had the Body of Christ to stand in the place of an intercessor, praying for me & Rocky. We are grateful for the prayers that strengthen me and caused me to rise up and minister to people at the hospital, even through major surgery. Only God and His grace can change our perspective in what we may first view and experience as horrific, to bless a world that so desperately needs the atmosphere of God.*

## Students Testimony

Hello, my name is Scott Stanton. I am 33 years old, and from Oakdale, Louisiana. I thank my Lord King Jesus, this is the first time in 20 years, I have been sober. I've been drinking and using drugs for a long time. All I wanted to do was intoxicate myself. I started drinking, smoking, and taking pain pills at a young age. At the ages of 18-25, I continued these drugs, but also added ecstasy, cocaine, meth, and oxycontin. I fell in love with oxycontin, until I ran out. Coming off is extremely painful. I tried the Methadone clinics, we called methadone, liquid handcuffs because, now your hooked on Methadone. I started going into rehabs and doing 12 step programs, going to meetings, and even in a mental hospital. I finally got off everything but pain pills. I stayed hooked on these for a few more years spending \$1500 a week, and selling everything I had to support my habit. My loving family tells me the only thing that will break me from this bondage is to ask Jesus Christ into my life. I start going to Christ Church in Oakdale, where Pastor Greg Willis & Sister Jane invite the Holy Spirit to move through this church. I could feel the love. The church did a praise dance to a song called "It's going to be worth it." Let me tell you son, coming to Shiloh was worth it. God has set up a tent over this place and if you want him in your life, He will jump all over you. Just ask Him, Romans 10:9-10. Shiloh has taught me to have fellowship with the Holy Spirit. He is our counselor, our personal GPS. Our teacher, Brother David Walls shows us how to find all the treasures God has for us in his word, with the power of the Holy Spirit. Shiloh is a Spiritual boot camp, and we are trained to be soldiers in God's Army. Shiloh has changed my life. I've been delivered and set free of many things here. Jesus has taken all the pieces of my broken heart and turned them into power, peace, and love. I now get addicted to seeking the mind of Christ. I will teach my children the Word, Proverbs 22:6. Thank you God, for the hearts you put in Pastor Rocky and Sister Debbie. I love these 2 prayer warriors. Thank you, staff for being obedient to your calling. I want to thank my family and Christ Church family for their prayers. Most of all thank you Jesus. **"I have been crucified with Christ; it is no longer I who live, but Christ lives in me; and the life which I now live in the flesh I live by faith in the Son of God, who loved me and gave himself for me," Galatians 2:20.**

We want to thank everyone who financially partners with us in this Supernatural Ministry. It is because of special people like you, men have the opportunity to encounter the "Presence of God." Since the year 2000, we have been participating with the Lord in seeing men restored back to Him, so their destiny can be fulfilled. We are thrilled to hear from our graduates testifying about their experiences of advancing the Kingdom of God in their families, the market places and foreign countries where many are serving as missionaries. We would also like to invite others to help us financially in this ministry of reconciliation for restoration. Please consider Shiloh Ministries as good ground for your financial seed. We would also like to ask Pastor's for the opportunity for the students to come & share with their congregation. We invite everyone to come and take a tour of the Shiloh Campus, if you are in the Liberty area (located 45 miles east of downtown Houston). We would be glad to meet you and show you what extraordinary things the Lord is doing at Shiloh. Thanks again, for co-laboring with us and prayerfully considering financially supporting The Lord's Ministry at Shiloh.
