## ***Destined to Leap Upon The Mountains & Skip Among The Hills (Song of Songs 2:10)***

*We were fashioned par excellent, and skillfully designed to co-labor and do magnificent exploits with The Creator of The Universe, our Beloved Bridegroom King.*

*Not only is our Bridegroom our King, our Redeemer, the Lover of our Soul, The ONE who calls us Beautiful and our Inheritance, but HE is also THE ONE that draws us out of comfort to trust HIM in Leaping and skipping upon Hills and Mountains, as we co-labor with HIM in giving back to HIM, His Rightful Inheritance. (Psalm 2:8)*

*Seasons of Change are placed at pivotal points in our Spiritual Journey that are fashioned for our Spiritual Growth and maturity, being strategically designed by HIM to catapult us into loving HIM larger, knowing HIM more, trusting HIM greater, and yes surrendering still. "HIS left Hand is under my head, and HIS right Hand embraces me." Song of Songs 2:6. Not one Season is more important than the other as sitting with HIM and developing quiet inner trust and intimacy is vital for mature love to be expressed when HE says, "Arise the winter is past and the Flowers are budding." Song of Songs 2:10-12*

*Some of these Seasons seem quite risky looking with the natural lens, however the more we get to know HIM, the more we love HIM, and the more we love HIM, the more we trust HIM in every Season, whether it is a quiet Season sitting with HIM under the Shade, or it is indeed Leaping upon The Mountains, conquering and demolishing those obstacles that are opposing HIS Kingdom Advancement, for "there is no fear in love." 1 John 4:18*

*We the created can become quickly bored and in our boredom fill that longing that HE has placed within us, that longing to be fascinated, and to be in awe of HIM with other things that keep us busy but ultimately fall flat because other things, and even other people cannot fill that longing within us to go with HIM up to the Mountain participating in exploits alongside HIM.*

*This Lover Shepherd King has invited us to come with HIM, not because of HIS need but simply because HE enjoys us and loves to see the cravings within us of fascination, success, wholeheartedness, and the joy of being enjoyed by HIM and known that we are loved and beautiful, fulfilled in the deepest part of us.*

*Each Season is different but yet vivid in Spiritual necessity and maturation when we cooperate and yield to HIM and HIS lead, for HE knows where we should be at in any particular Season of our Love Journey with Him. But, We do have a tendency in The Body of Christ to think everyone should be exactly where we are in our own particular season, and wonder what is wrong with that one or those when in actuality they maybe where they are supposed to be in their season. Therefore let us be careful of judgements of others but instead may we continue to stir one another on in LOVING HIM passionately and obeying HIM fully, and quick to request of HIM for our self, "Sir, Catch for us the little foxes that spoil the vines in our own vineyard." Song of Songs 2:15*

*As we journey with our Beloved Bridegroom King, on this side and lean upon Him and listen to HIS Heartbeat in each new season, Let us be reminded we are establishing our resumes for Eternity. For we are HIS Bride Inheritance and should long for our resumes to read, (They Loved much because they were forgiven much, and they knew well they were the Disciple whom Jesus Loves, for they were fascinated by HIM, Love Sick for HIM, and knew their beauty and success was in Christ alone. For they did hearken to HIS voice in seasons under the shade tree with their Shepherd Lover, and they did stand for they were not afraid when HE said Arise and come with ME to leap upon The Mountains and skip upon the Hills.)*

## Graduates Testimony

Hello my name is Chris Chicatelli. I'm 35 years old and I was born and raised in Washington State. I grew up in a spirit filled Christian home, with 5 siblings (2 sisters, and 3 brothers). I grew up in church, loving Jesus. I was mostly home schooled, but also attended private schools. Curiosity for the world at the age of 12 caused me to experiment with cigarettes, beer, marijuana and at the age of 15 I was using crystal meth and cocaine. My addictions became so out of control and I was asked to leave my families house. What started out for me to be cool, turned into a lifestyle of destruction and chaos for the next 18 years of my life. I destroyed everything in my path. I was in and out of jail and rehabilitation programs. I was a slave to the needle and my addictions. I was blind, lost, hopeless, desperate and pride kept me from surrendering to Jesus Christ. After the 6<sup>th</sup> overdose which almost took my life, I spent 3 days in ICU and then sentenced to a year in state penitentiary. My family never gave up fighting for me though. They were directed by the Holy Spirit to Shiloh's web-site and found Shiloh Ministries for me. I left Washington State heading to Liberty, TX. I quit running and surrendered my life to Jesus Christ. At Shiloh I found freedom in Christ from my old addictions. I found rest, peace, and a purpose for life. Thanks to Shiloh Ministries, my relationships with my family have been restored. I'm now walking in my destiny and purpose that God has ordained for my life. I'm grateful to, Pastor Rocky, Sister Debbie, and Staff for being obedient to their calling. Thank you Jesus Christ my Lord and Savior, God my Heavenly Father, the Holy Spirit my Mighty Counselor. I also want to thank all of the supporters of Shiloh Ministries, may God richly bless all of you.

We want to thank everyone who financially partner with us. It is because of special people like you, men have the opportunity to encounter the "Presence of God." Since the year 2000, we have been participating with the Lord in seeing men restored back to Him, so their destiny can be fulfilled. We are thrilled to hear from our graduates testifying about their experiences of advancing the Kingdom of God in their families, the market places and foreign countries where many are serving as missionaries. We would also like to invite others to help us financially in this ministry of reconciliation for restoration. Please consider Shiloh Ministries as good ground for your financial seed. We would also like to ask Pastor's for the opportunity for the students to come & share with their congregation. We invite everyone to come and take a tour of the Shiloh Campus, if you are in the Liberty area (located 45 miles east of downtown Houston). We would be glad to meet you and show you what extraordinary things the Lord is doing at Shiloh. Thanks again, for co-laboring with us and prayerfully considering financially supporting The Lord's Ministry at Shiloh.
