A SUPERNATURAL WAY OF LIFE

“Those that know their God will be strong and do exploits.” (Daniel 11:32b)

There is a lost World on display everyday. People all around that are hurting, grieving inside, and running from the reality of the clock ticking while all of Eternity is advancing. (2 Corinthians 4:4)

We find ourselves meeting people often and because of THE LORD'S Passion we pause, and we through The Power of HOLY SPIRIT embrace people, give Hope and share GOOD NEWS.

Recently we were on task completing some much needed maintenance of the Shiloh Offices and Reception room. As we pursued the necessary steps of getting this accomplished we entered a couple of businesses to purchase products. We did our business and stayed on task but not without asking HOLY SPIRIT to help us with our selections and with Favor. (Psalm 90:17)

Before leaving those businesses we were able to engage more on a personal level with some of the employees. One was a Company Owner of 40 years and his eyes quickly welled up with tears as we asked him if we could please pray over him. What would cause a middle aged man with a lucrative business of 40 years to be right up front and center of his store holding our hands, and allowing us to boldly pray? My Friends it is only THE POWER OF HOLY GHOST PRESENCE. (Luke 4:18-19)

Our next stop was another business and the woman who checked us out was extremely quick to respond when we asked if she needed prayer. Again, up front and center, holding hands, we found ourselves in another prayer meeting. She was weeping, her heart was tender, and she was indeed experiencing The LOVE OF GOD. (THE MARKET PLACE BELONGS TO JESUS)

Our last public interaction (same day) while out and about doing Shiloh tasks was with a young man that waited on us. He was congenial, had an eye for detail, and he gave us the initial impression that we were important and cared for, as he did his job with excellence and much cordiality. We were getting toward the end of our time with him and we asked him if he ever thought about Eternity. He replied speedily, “ALL THE TIME.” He began to unfold some of the details of his life and shared with us that he was getting ready to go with his Sister on a Missionary Outreach to the Nation of Uganda to present The Gospel of JESUS. We listened to him and then got to pray over him for protection, provision, Favor, and many SOULS to come into The Kingdom of God because of his obedience to GO. Right there front and center of yet another business, another prayer meeting was taking place.

And then then a few days later... A precious Couple that would come to assist in the renovations of the offices, OH MY!!! They are a Husband and Wife Team, that we again through HOLY SPIRIT leading and HOLY SPIRIT Discernment flowing, had the privilege to minister to this Couple. They both were weeping in The Shiloh Offices, and had stated that their relationship with The Lord was poor. Their sincerity, and Honesty was met with The Tangible Presence of God. The wife had been diagnosed with Cancer and she stated she was scheduled for Surgery next month. She stated, “I do not know why I am crying, I do not usually do this, but I cannot help.” We told them they were experiencing THE LOVE OF GOD in a tangible way. Several of us got to pray over them. It was such a beautiful move of HOLY SPIRIT. We know this was a Divine Appointment and it was much bigger than the renovations being met in the Shiloh Offices. It had the weightiness of Eternal Significance. THE KING OF GLORY also did receive Honor in our Stewardship. Yes, The Stewardship of HIS property regarding HIS Ministry buildings at Shiloh, but oh so much more (Ephesians 3:20) The Stewarding of Precious and Priceless Souls that HE brings across our path that HE so desires to lavish HIS Love on.

Life is very busy, people are everywhere and are really desiring a touch from God, prayer, an exhortation, an embrace, GOOD NEWS, and a pause to ponder (SELAH)

THE LORD has created us as human beings (in His likeness) to use in HIS salvation plan. HE will not save The World without us, We cannot save The World without HIM. GOD HAS SEEMINGLY LIMITED HIMSELF TO OUR PARTICIPATION WITH HIM.. HE also is obviously not picky. HE will use any of us that surrender to HIM and make ourselves available. HE will use those with a past life of harlots, deceivers, murderers, swindlers, liars, thieves, addicts. Have you paid attention to the clientele of THE BIBLE, and the Clientele of present life? The Early Disciples were not learned men, religiously speaking they were common folk, but they made themselves available.

Our availability plus HIS ability is a saving combination. The question is are we willing to be part of the answer to ONE OF HIS PRAYER INSTRUCTIONS FOR US? “Pray ye therefore to THE LORD OF THE HARVEST TO SEND OUT LABORERS UNTO THE HARVEST FIELD” (Matthew (9:38)

SHILOH INTERN - Bryan Pharr

Bryan Pharr will be the first to let anyone know that GOD hears when we cry out to HIM in sincerity and desperation.. Born in Wolf City, Texas and then living 20 years of his life in Fort worth, he states he had an outgoing life with his Parents and two older brothers. They loved to go camping on a regular basis and the participation in sports. Bryan especially favored baseball. He did not grow up in a Godly Home, but his Dad trained them in excellence and to do good. (GOOD ORDERLY DIRECTION) as Bryan states. However without a Christ centered home, in spite of goodness and excellence, Bryan looked for that void to be filled. He started drinking at age 12 by following in the footsteps of his older brothers. Bryans brothers had an impact in his life by drinking games and being as Bryan was very competitive, he engaged fully in these games that were orchestrated by his older Siblings. He wanted to be better than them and show that he was able to handle his alcohol. He would end up with several DWT's , arrests, jail time, and gravitate toward Crack Cocaine , making alcohol a substance he depended upon for 40 years and Crack Cocaine dependence for 20 years. He experienced such levels of mental torment and episodes of complete memory loss during this hard time in his life. He had worked at intervals and was able to maintain employment for short periods and even married and Fathered a Daughter, yet his world ended up collapsing and he eventually lost everything, his wife, and daughter. He found himself to be homeless for extended periods of time. At different intervals he would cry out to God, a God that he had never known. Many of us have to admit we cried out to HIM when we were in desperation whether our life styles and upbringing was centered around HIM or not. (NO ATHIEST IN THE FOX HOLES)

At times people would reach out to him or he would manage to get to a Shelter. He states he went to 10 or more rehabs and AA but none of them had the answer. One of the places of refuge he attended he met a man that captivated Bryans attention with The Love Of God. He did not understand what exactly this man had but Bryan knew he wanted what ever this man had, and to this day he has high respect for this man. Bryan and his Daughter got baptized shortly after Bryan's meetings with Mr. Craig Dobson. Bryan did well for a while but later back slid and found himself worse off than before and again homeless. He again cried out to The Lord saying, "GOD SEND ME SOMEONE TO HELP ME" 2 days later another graduate of Shiloh was out and about doing Evangelism and found Bryan in his homeless state. George Hill asked Bryan, "Do you want help?" Bryan did and was so ready for help. George made the contacts to Shiloh and even brought Bryan to Shiloh from Houston . Bryan completed his 12 months as a Student and was asked to stay on as an Intern. He accepted eagerly as all along he knew he was to stay , He states, "I was put here by God and I am committed." When asked what his thoughts on Internship is, he replied, "When you start to grow, You have to be trained, you have to take another step." He states, "The Christian Life must be modeled." When asked to share an exhortation with The Body he stated, " The Love of God is so real, You must experience The Love of God. He states I experienced The Love of God at Shiloh. You must yield to Holy Spirit You must welcome Holy Spirit, and You must passionately fall in Love with JESUS." One of Bryans favorite scriptures is Romans 12:2 . He states he prays out that HOLY SPIRIT would remove ALL OUR CONFIDENCE IN THE FLESH.
